MARK/6 Complete Collection (U) (20 Box) April, '08 10x

the complete **kitchen** collection

We reserve the right to make changes to design and specifications without prior notice.
The photographs may show items of optional accessories which do not form part of the standard specifications.

Colour reproduction:

We take great care in the photography of products illustrated.
Due to variables in the photographic and printing processes, colours may vary from actual product.

All copyright is reserved. Any person or company reproducing the same in part or whole, without permission will be liable to prosecution.

With inspirational concepts, supported by the very highest standards in specification, *the Complete Kitchen Collection* brings together a fresh and exciting range of traditional woods and stylish contemporary finishes to suit every taste and budget.

A stunning collection that offers something for everyone. Our highly creative and experienced designers are on hand to help you turn your ideas into stylish yet practical kitchens, flexible enough to adapt to your changing lifestyle for years to come.

Quality Cabinets

With extensive experience in both development and design, we are proud to offer one of the most highly specified cabinets available. All our kitchens are made to fulfil your individual order, and are manufactured to the very highest of standards.

Our Titanium drawer boxes are fully extendable allowing unrestricted access to the contents, and our 'soft close' system cushions both doors and drawers protecting fingers, cabinets and contents.

Choose from handles, plinths, feature leg systems, end panels and matching cornice and pelmet to complete the look.

Benefits:

Rigid 19mm cabinet manufactured using glue and dowel construction with colour co-ordinated exterior/interior

Co-ordinated solid 19mm top shelf for extra rigidity

Co-ordinated solid 8mm back panels in all units

Concealed adjustable fixing brackets to attach unit securely to wall

47mm working void for easy access to electrical and plumbing services

Drawer boxes with full extension and integrated 'soft close' system

Blum® 500 deep Titanium drawer with up to 50kg weight capacity

100° Blum® Clip-on Inserta Hinges for easy installation

Adjustable shelves - 1 in Drawline, 2 in Hi-Line - supported by stainless steel shelf pegs

Adjustable legs to compensate for uneven floors

Optional matching Plinth and Plinth End Caps for flush, neater finish and easy clean

We recognise that we have a vital role in helping to protect the local and global environment and are proud to use a wide range of sustainable products throughout the production process. These include woods that have either been FSC certified or Pan European approved, or as originated from Managed Forests.
